

Veteran Friendly Practice

We, at Heartwood Medical Practice are proud to be an accredited Veteran Friendly GP Practice and to support our veteran community.

As a Veteran Friendly GP Practice we:

- Support veteran patients to access dedicated health services
- Ask patients 'Have you served in the Armed Forces?' to help identify veteran patients
- Undertake regular training and development to meet the health commitments of the Armed Forces
- Covenant and better understand the needs of veteran patients

If you are a veteran patient, please let us know that you have served so that we can make sure that we understand your health needs.

More than 1,400 practices are now veteran friendly accredited and a University of Chester study revealed that 99% of accredited practices would recommend the accreditation. To find out more about the Veteran Friendly Practices accreditation scheme, visit www.rcgp.org.uk/veterans

The Veteran Friendly Practices accreditation scheme is run by the Royal College of General Practitioners in partnership with NHS England.
